

Dear Parents/Carers

As we approach the end of another busy term, I would like to update you regarding staffing at the Academy. Thank you for your support this term in continuing to raise standards by ensuring your child arrives to school every day, on time in the full uniform. This has had and continues to have a very positive impact on our environment by ensuring pupils are focused on learning and making good progress in all areas.

In my last letter I outlined that I would share the list of the new staff joining us from this term onwards. I am very excited to say that we continue to attract very high caliber teaching and non-teaching staff who we know will share in our vision and values by ensuring your child is happy, achieves well and makes steps forward to obtaining their limitless aspiration. Thank you for your continued patience with our temporary cover teacher arrangements in some lessons, whilst we fully replace teachers who have either gone on maternity leave or moved to new jobs in last term.

I am pleased to introduce to the staff who have already joined us and will be joining us over the following weeks:

You will no doubt meet these staff at various parents' evenings and events we hold throughout the year. Please join me in welcoming them to the Academy.

I trust you will all have a relaxing half term and would encourage students who will be sitting their exams this year to utilise this time to revise. If you have any concerns regarding revision, please contact your child's tutor who will be able to support you regarding revision techniques and resources.

Finally, a reminder that students should return after the break in full, correct uniform. Please could you ensure they have everything they need to return to school ready to learn. Thank you.

Regards

Ms Phillip
Head of Academy
